

Search Tool (Postcode Search)

Address Search

Scroll down the page to see results below

Property Name

Property Number

Road Name

Postcode

Type in the address details of the property you would like to find and locate on the map, here. Then click Search

Clear your entry by clicking the clear button and re-enter new address.

The search tool allows you to search for a location in Enfield, and zoom into the area.

You can search for: -

- Postcodes
- Road names
- Full address (name or number, plus road name)
- Part of an address – by entering text in the Name box

Enter any of the above terms, e.g. road name or postcode into the search boxes and click on:

Address Search

Scroll down the page to see results below

Property Name

Property Number

Road Name

Postcode

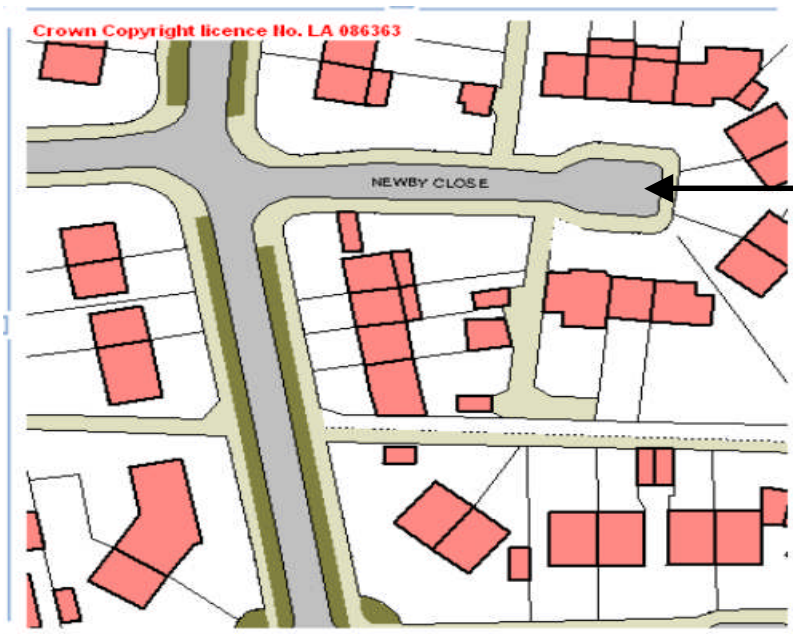

Example – enter Newby Close in the Road Name box:

E.g. Type in the Road Name and click Search.

Search results will appear, after a few seconds, in a list further down the page to the left hand side – scroll down to see. You can choose which location to zoom into by clicking on one of the blue shaded lines.

Results of Address Search – Click Address to Locate on the Map

- 1, NEWBY CLOSE, ENFIELD, ENFIELD, EN1 3BW
